

2024 TRADITIONAL CATHOLIC KILIMANJARO CLIMB

JULY 13TH - JULY 24TH

Hike to the top of one of the seven highest mountains of the world. The Kilimanjaro.

- ✓ Raise money for the **St. Benedict House of Studies** training dozens of future traditional priests each year, located at the base of the mountain in Tanzania Africa.
- ✓ Extend the Reign of Mary on the peak of the Kilimanjaro.
- ✓ Daily Latin Mass during the Climb. Chaplain TBD.
- ✓ 8 day hike of the Alternative Lemosho Route - less traveled with great solitude.
- ✓ Find out what you're made of and who you are before Jesus and Mary.
- ✓ Professional crew assisting us in the climb. A guide who has been doing this for decades with a staff of porters to help carry and set up camp each day.
- ✓ We are looking for a **few** that would like to hike to the top and raise \$1 million for the St. Benedict House of Studies.

Hikers pledge to raise a minimum of \$5000 a piece plus pay the standard cost of the climb.

May the Reign of Mary Come!

I encourage those of you who feel called by Jesus and Mary to hike the Kilimanjaro to make the climb and help raise the money needed to help build the St. Benedict House of Studies. A place where traditional priests will be trained in Tanzania.

I ask all of you to consider making a donation so that these so many young men will be able to study to be good traditional priests, formed in the one, holy, Catholic and apostolic Faith.
